

Discovery Bible Study: Group Questions and Functions

**Seven Components
to Implant Essential DNA For Disciple-Making**

Seven Components to Grow DNA for Disciple- Making

QuestionsL

*1 - What are you thankful for?
- What are you struggling with?
- Take turns praying for each other
(now or at end)*

*2- Ask one person to review last
week's passage and all to share how
they applied it (Their "I will...").*

*3 - Two people to read the new
passage in different translations.*

*4 - One person to retell the content of
the passage in your own words*

*5 - What does this teach us about God?
(Father, Jesus or Holy Spirit)
- What does this teach us about us / people?
- What is God telling you to apply / obey?*

*6 - What action would you take in response to
God? (I will...) Is there some action we can
apply as a group?*

*7 - Who can you share with what you learned
from this passage? Who can you invite to do
DBS with you?*

Purpose:

> Deepen community +
learn to pray.

> Recall + mutual accountability =
growth

> Attentive reading, listening to God

> Develop ability to remember and
tell others

> Active discovery (know God,
know people, listen to God)

> Be a disciple (doer of the Word)

> Become a disciple maker
